- 6) Confirm Customers Information
- 7) Select Item
- 8) Qty
- 9) Rate
- 10) Total

The screenshot shows the 'Create Estimate' window in QuickBooks Enterprise Solutions 18.0. The window is titled 'Estimate' and displays customer information for 'Test Customer' (ABC 123 Ave, ABCity, CA 91406) and a date of 01/07/2019. A table lists items with columns for ITEM, DESCRIPTION, QTY, RATE, AMOUNT, MARKUP, TOTAL, and TAX. The first item is 'SC-PM1 Plan maintenance steam generator upto HC18' with a quantity of 1, rate of 525.00, and total of 525.00. The summary at the bottom shows a subtotal of 525.00, a markup of 0.00, a tax of 45.94, and a total of 570.94. The right sidebar shows customer details and a summary of transactions.

You can email total or export to PDF, save file in your shared drive.

The screenshot shows the login page of the Right Networks File Manager. The page has a header 'Right Networks File Manager' and a sub-header 'Manage your Hosted Files from your Browser - Easily, Reliably and Securely'. Below the header is a login form with fields for Username and Password, and a 'Log On' button. There is also a link for 'Need help logging in?'.

The screenshot shows the main interface of the Right Networks File Manager after login. The page displays a file tree on the left with folders like 'nordic-sauna-data (8)', 'Employee Files', and 'Otilia Estrada'. The main area displays a list of files, including 'E10005.pdf' with a size of 58 KB. The top bar shows 'Log Off' and 'Right Networks File Manager'.
